

## A-18 The Strategic Parent Experience

Model Schools for Inner  
Cities (MSIC)

206B

This workshop will focus on:

- Three reasons your child's world will be different and why it matters
- A brief glimpse into your child's world in 2030 and how to prepare them to take advantage of revolutionary opportunities
- The Secret 4 thinking model
- How to leverage digital outsourcing to enhance your child's progress while lowering mental student stress
- Student stress reduction

### Presenters

#### Dwayne Matthews

**Life and Education Strategist** - [Dwayne@dwaynematthews.life](mailto:Dwayne@dwaynematthews.life)

Dwayne delivers presentations internationally on The Secret 4™ thinking framework and The Strategic Parent Experience™ digitally curated step-by-step guidebooks that help parents with strategic student success in school and life.

Previously, Matthews was the Canadian executive director of an intelligence and technology scouting firm with a focus on finding new technologies to help Fortune 500 companies forecast future opportunities.

Matthews was also the managing director of the Clean 15 Challenge, Canada's largest technology challenge in 2009 and 2010, which partnered with NASA Techbriefs and Yet2 Ventures in 2011, where he was mentored directly by Ben duPont of the duPont family.

Before that, Matthews was an elementary teacher for seven years in Toronto and two years at one of the world's best international schools in Lima, Peru where he did strategic planning, curriculum design and implementation.
