

## B-15

### Developing an Individual Education Plan (IEP)

Special Education  
Advisory Committee  
(SEAC)

205B

This workshop will review parent involvement in the consultation process and development of the Individual Education Plan. It will include a review of the home-school partnership, the rights and responsibilities of all participants. It will also include practical advice about how to work collaboratively with the school in developing the IEP.
