

## C-13 Intellectual Giftedness — Networking and Discussion

Special Education  
Advisory Committee  
(SEAC)

204C

Led by a group of presenters, this workshop will provide an opportunity for parents to broaden their understanding of Intellectual Giftedness. Parents will be able to:

- Ask questions about the exceptionality
- Gather tips about successful strategies for supporting the child
- Make connections with and learn from support organizations, TDSB staff and each other

### Presenters

#### Lori Moore

**Supervising Principal of Special Education, Learning Centres 2 and 3, TDSB - [Lori.moore@tdsb.on.ca](mailto:Lori.moore@tdsb.on.ca)**

Lori has over 20 years of experience as an educator in both elementary and secondary schools. In her current role she heads up the Special Education leadership team serving two Learning Centres in the Toronto District School Board.

#### Trish Johnson

**Special Education Consultant, Learning Centre 2, TDSB - [Trish.Johnson@tdsb.on.ca](mailto:Trish.Johnson@tdsb.on.ca)**

Trish has over 15 years of experience as an educator in both regular and special education in the elementary and secondary panels. In her present role Trish works collaboratively with administrators, teachers, and support staff to ensure that their students' needs are being met. She also provides consultative support to parents on special education topics and professional development for teachers.

#### Diana Avon

**TDSB Special Education Advisory Committee Representative for Association for Bright Children of Ontario, Toronto Chapter (ABC) - [avonsmit@sympatico.ca](mailto:avonsmit@sympatico.ca)**

Diana has been a member of ABC since 2005 and joined the TDSB Special Education Advisory Committee as ABC representative in 2008. Not only does she have a desire to advance the cause of gifted education – she cares deeply about the needs of all exceptionalities.
